TRAINING PROGRAMMES

Office Health and Safety Training Course

Course Objective: Our Office Health and Safety Training course covers key areas where legislation is in place to control risk and reduce work-related ill health. Employees will come away with an understanding of potential risks in working with computers; what is expected of them in relation to risk management and how they can take responsibility for their own health and safety at work.

Course Outline

Course Content
Introduction
Musculoskeletal disorders
Working with computers
Slips, trips and falls
Electrical safety
Fire safety
