TRAINING PROGRAMMES

Retail Food Safety Training Course

Course Objective: If you are selling food or drink - whether in a corner shop, supermarket, or newsagent, you have a responsibility to ensure that anything served to your customers is safe to eat. Our Retail Food Safety Level 2 Training course takes users on an interactive journey through the key aspects of food hygiene. The interactive e-learning material is designed to help those in food retail to retain important food safety information to maintain compliance with UK legislation, including HACCP.

Course Outline

Course Content
Introduction
Microbiological hazards
Cross-contamination
